

RUSSIAN IMPERIAL UNION-ORDER - We do not usually deal with coins in this magazine. However, our long-time Canadian subscriber Serge Huard recently informed us about an interesting coin issued by the Russian Imperial Union-Order, an exile Tsarist organisation founded in 1929 in Paris by "White" Russians. The Russian Monarchist Rouble was released to commemorate the 60th anniversary of the RIU-O. The obverse of the coin depicts the emblem of the order while the reverse shows Tsar Nicholas II. The coin exists in copper, silver and gold versions. Only 100 gold coins were minted. More information from: Russia Coins - of - Tradition, B.P. 412, Succursale PAT, Montréal, PQ, Canada, H1B 3K3. Our thanks go to Mr Huard for sharing this information with us.
